SANTA CLAUS BEARD *in white*

In the next page you have the beard explanation with some pictures to make it more clear.

Have Fun!

SANTA CLAUS BEARD *in white*

To make it easier to understand, is done an example with brown yarn.

Beard should be worked in chain.

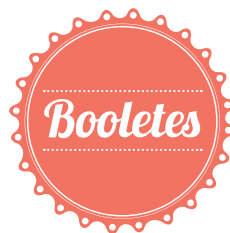

Make a FIRST (A) CHAIN of 10 sc.

Make 10 more chains (B) that will be the ones that should be sew it in the first chain as is marked in the picture.

If you prefer, you can try to do 1 chain of 10, 1 chain of 6... and so...to make the beard more irregular. Then the beard is more varied.

See picture below. Sew the first chain (A) to Santa's body (our example beard is in brown, your beard should look like than the white one).

See picture below. You have to sew as much as B chains you have to chain A

See picture below. Continue sewing the rest of chains B
